Sur Last® is designed to be easy to care for. It can be washed, or brushed off and rinsed. Proper care and cleaning is important to the life of all fabrics. Please consult www.surlast.com for more cleaning information.

E A S E O F U S E

Sur Last® helps save manufacturers money because of its ease of use and flexibility. Its urethane coating on the polyester adds to the stability of the weave. The coating also makes it more water resistant as well as shrink/stretch resistant.

The coating allows the material to be cut without having to allow for shrinkage/stretch or unraveling. No hot knife or surging is required to fabricate with Sur Last® fabric. For best results and lasting appearance, always sew your project with the fabric side exposed to the sun.

This limited warranty is valid only if a copy of the invoice for the item purchased is submitted showing date of original purchase.

What is covered? This limited warranty covers the fabric becoming unserviceable because of loss of color or strength from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals. Consumer is responsible for normal care and cleaning of the fabric. This warranty covers fabric only. Glen Raven's liability is expressly limited to this warranty.

How long is the coverage period? This limited warranty coverage runs for three years from the date of original installation.

What will Glen Raven do? Glen Raven will supply new fabric free to replace the fabric that becomes unserviceable.

How can you get service? Call the dealer or retailer from whom you purchased the product, to inspect the claim. They, in turn, will contact the manufacturer of the item purchased. The manufacturer will then contact Glen Raven and secure replacement fabric for you.
